

Get SET with **MET**...in person!

Don't miss your chance to lock in tomorrow's college tuition at today's prices.

College savings experts from the Michigan Education Trust (MET) will be available at four locations across the state to answer questions and help parents, grandparents and others through the process of purchasing a MET contract.

Purchasers will need social security numbers for themselves, the contract beneficiary, and any third party named on the contract along with a check or money order.

SPECIAL OFFER!

No \$25 processing fee if you enroll during a session.
